

Activated Charcoal Paste

Research has shown that activated charcoal is effective in counteracting the effects of certain oral toxins. This easily administered paste (available with or without sorbitol) is for use in the treatment of accidental poisoning resulting from insecticides, herbicides, organic chemicals, intestinal bacterial contaminants or grain overload. It is not effective in the treatment of heavy metal poisoning such as lead, arsenic, mercury, etc. Indicated for use in cattle, calves, horses, foals, sheep, goats, dogs and cats.

Active Ingredient: Activated hardwood charcoal, 100 mg/mL

ITEM#	DESCRIPTION	SIZE
520014	Activated Charcoal Paste	80 mL
530014	Activated Charcoal Paste with Sorbitol	80 mL
510014	Activated Charcoal Paste	300 mL

Activated Charcoal Paste with Electrolytes

Contains activated hardwood charcoal, attapulgite clay and certain electrolytes.

ACTIVE INGREDIENT

Activated Hardwood Charcoal (100 mg/mL), 10.0% w/w

EXCIPIENTS

Water, Attapulgite Clay (200 mg/mL), Sodium Chloride (35 mg/mL), Potassium Chloride (35 mg/mL), and Polysorbate.

SUGGESTED USE

May be used as an aid for accidental poisoning resulting from insecticides, herbicides, organic chemicals, intestinal bacterial contaminants or grain overload. Research has shown that activated charcoal is effective in counteracting the effects of certain oral toxins.

SUGGESTED DOSAGE

Dogs & Cats: 1-3 mL per pound body weight.

Sheep & Goats: 1-3 mL per kilogram (2.2 lbs) body weight.

Calves & Foals: Up to 80 mL.

Adult Cattle & Horses: It is recommended to give one full tube (300 mL).

Repeat dosage after 1 to 3 hours or as needed.

WARNING

If conditions do not improve, consult your veterinarian. Depending on the condition of the animal, supportive therapy such as parenteral fluids and injectable antidotes should be used along with Activated Charcoal Paste for efficient recovery. Not effective in the treatment of heavy metal poisoning like lead, arsenic, mercury, etc. Do not administer to unconscious animals.

For animal use only.

Keep out of reach of children.

STORAGE

Keep in a cool, dry place. Avoid freezing.
