ADROITIN-M™ PAW GEL

VetOne

Helps Maintain Healthy Joint Function in Cats

NO PETROLEUM JELLY

NO ARTIFICIAL COLOR, FLAVORS OR PRESERVATIVES

Indications: Adroitin-M™ Paw Gel for cats combines glucosamine, chondroitin and MSM with antioxidants to help maintain healthy cartilage and joint function in cats of all ages. Tasty and easy to give, Paw Gel is a convenient way to reward your cats and help them stay active and vital.

Dosage & Administration: Apply 1/2"-1" of Paw Gel to your cat's paw once daily. Because it tastes so good, you can even offer it right from the tube.

Active Ingredients Per 1/4 Teaspoon:

Glucosamine (from Shellfish Source)	210.0 mg
MSM	150.0 mg
Chondroitin Sulfate (from Bovine Source)	30.0 mg
Yucca Schidigera	9.0 mg
Vitamin C (Ascorbic Acid)	1.5 mg
Sea Kelp	0.9 mg

Inactive Ingredients: Cetyl Alcohol, Hydrogenated Vegetable Oil, Lecithin, Methylcellulose, Natural Fish Flavor (Salmon), Potassium Sorbate, Sodium Benzoate, Soybean Oil, Stearic Acid, Water, Xanthan Gum.

Storage: Store in a cool place.

Precautions: Do not use if product appears to be tampered with. Keep out of the reach of children and other animals to avoid unintended consumption. In case of accidental overdose, contact a veterinarian immediately.

Warning: Safe use in pregnant animals or animals intended for breeding has not been proven. Consult with your veterinarian before using this product in animals that have clotting disorders; are being treated with anticoagulant medications; have diabetes or any metabolic disorder that causes hyperglycemia; have a history of urinary tract stones; or have known allergies to shellfish. If lameness worsens or persists, discontinue use and contact your veterinarian. Federal law prohibits the extra-label use of this product in ruminants.
