

Adroitin-M™ Soft Chews

Adroitin-M helps support healthy joint function and connective tissue in elderly dogs, large breeds and canines that are predisposed to mobility and joint dysfunctions. These treat-like beef- and liver-flavored soft chews that dogs love contain proven joint-support ingredients, with natural flavoring from U.S.-sourced porcine liver. Regular use may help alleviate the pain associated with normal daily exercise and activity. Allow 4 to 6 weeks for best results.

- Quality formula produced by NASC™-approved manufacturer
- Professional label supports veterinary channel
- Economical choice for long-term use
