

Aurocin™ Ear Cleanser

Aurocin is a soothing, safe, gentle and effective ear cleansing solution for use on dogs and cats. This ear cleansing solution with aloe vera is for routine cleansing and drying of moist or mildly exudative, waxy ears. Aurocin CM has a pleasant cool cucumber melon scent and deodorizes to encourage client compliance. Indicated for long-term control of mild recurrent otitis externa.

Ingredients:

Deionized water, propylene glycol, aloe vera gel, SD alcohol 40, lactic acid, glycerin, dioctyl sodium sulfosuccinate, salicylic acid, fragrance, benzoic acid, benzyl alcohol.

AUROCIN™ CM EAR CLEANSER

VetOne

Cucumber Melon

Veterinary Formula Ear Cleansing Solution with Aloe Vera For Dogs and Cats

Aurocin™ Ear Cleanser is specifically formulated to deodorize and gently clean, dry and acidify the ear canal. This provides an ideal environment for healthy ears. Now with refreshing cucumber melon scent.

- Cleans
- Dries
- Deodorizes
- Acidifies

Directions: Apply liberally into the ear canal. Massage the base of the ear. Allow pet to shake head. Clean excess with a cotton ball. In excessively dirty ears, apply 2-3 times daily over several days. For maintenance of healthy ears, apply 1-2 times weekly or as often as recommended by your veterinarian. Always apply after swimming.

100% GUARANTEED

AUROCIN™ FLUSH

VetOne

With Chlorhexidine 0.2%

Antimicrobial Cleansing & Drying Solution

Description: An astringent, general cleansing, drying formulation for topical use on dogs, cats and horses. Contains chlorhexidine gluconate in a soothing, solubilizing vehicle.

Indications: For general cleansing of such conditions where an antimicrobial formulation would be of benefit.

Directions For Use: Apply liberally into affected area. Use cotton or absorbent material to clean excess solution and debris from treated area. Repeat procedure once daily, if necessary, or as directed by a veterinarian.

Contains: Water, glycerin, isopropyl alcohol, nonoxynol-12, PPG-12-PEG 50 lanolin, PEG 40, castor oil, chlorhexidine gluconate, fragrance, FD&C Blue #1. May contain citric acid to ensure optimal pH.

Precautions: For external use on animals only. DO NOT INSTILL IN EYES OR ON SENSITIVE MEMBRANES THAT ARE NOT INTACT.

Storage: Store at controlled room temperature.

Sold Exclusively Through Veterinarians
