

Aloe & Oatmeal Shampoo

Provides relief from itchy, scaling and sensitive skin. It also contains emollients to restore natural moisture to the skin and is a hypoallergenic, soap-free formulation. It can be used as often as necessary and will not strip the coat. Safe for use with topical flea-control products.

Hypoallergenic Shampoo

This gentle, hypoallergenic, soap-free formulation has an optimal pH balance. Contains emollients for moisturizing and protein for conditioning. Natural Moisturizing Factors promote hydration of skin and coat, while essential fatty acids nourish skin and aid in the control of flaking and scaling.

Medicated Shampoo

May be used as extra therapy for common dermatological conditions. Removes scales and crust as well as being antibacterial and antifungal. Ideal for deodorizing and as a gentle wash for routine use.

Active Ingredients:

- Chloroxylenol.....2%
- Salicylic Acid2%
- Sodium Thiosulfate (source of soluble sulfur).....2%

ALOE & OATMEAL SHAMPOO

VetOne

Moisturizing Formula

A soothing shampoo formulated with moisturizers for itchy or dry skin

ALOE & OATMEAL SHAMPOO provides relief from itchy, scaling and sensitive skin. It also contains emollients to restore natural moisture to the skin and is a hypoallergenic formulation.

DIRECTIONS: Wet pet thoroughly with warm water. Apply enough Aloe & Oatmeal Shampoo to make a rich lather. Work shampoo from head to hindquarters. Let stand for approximately 5-10 minutes, then rinse thoroughly. For best results, repeat process.

CONSUMER NOTE: Aloe & Oatmeal Shampoo is a soap-free formulation. It can be used as often as necessary and will not strip the coat. Safe for use with topical flea control products.

INGREDIENTS: Concentrated surfactant blend which is detergent and soap-free, aloe vera, vitamins A, D, E, EGDS, EDTA (sequestrant), glycerin, glyceryl stearate, wheat germ glycerides, hydrolyzed oat proteins, blend of botanical extracts, coconut oil, almond oil, proprietary blend of coat and skin conditioners and moisturizers, yellow #5, DMDH hydantoin, deionized water. This product is alcohol-free and contains no animal by-products.

WARNINGS & PRECAUTIONS: For external use only. Keep out of eyes. Keep all chemicals out of reach of children.

Available only from your veterinarian

MEDICATED SHAMPOO

VetOne

Antibacterial Formula

An antibacterial and antifungal shampoo for deodorizing and deep cleaning of dogs and cats

MEDICATED SHAMPOO may be used as extra therapy for common dermatological conditions. Removes scales and crust as well as being antibacterial and antifungal. Ideal for deodorizing and as a gentle wash for routine use.

DIRECTIONS: Shake well. Thoroughly wet animal's coat with tepid water. Massage small amounts of shampoo into the coat and continuously add water to better disperse product, until a generous lather is generated. Rinse well and repeat. Shampoo may be used weekly or as recommended by your veterinarian.

ACTIVE INGREDIENTS: 2% Chloroxylenol, 2% Salicylic Acid, 2% Sodium Thiosulfate (source of soluble sulfur).

INACTIVE INGREDIENTS: Deionized Water, Sodium C14-16 Olefin Sulfonate, Propylene Glycol, Cocamide DEA, Polyquaternium-10, Fragrance, Citric Acid, Methylchloroisothiazolinone, FD&C Blue No.1.

WARNINGS & PRECAUTIONS: For external use only. Keep out of eyes. If eye contact occurs, flush with water immediately. Keep out of reach of children. Keep at room temperature.

Available only from your veterinarian
