

Disposable Skin Staplers

These disposable skin staplers have an angled head to provide a clear view for staple placement.

- High-quality US-sourced 316L stainless steel staples
- Staple count indicator clearly shows remaining staples
- Designed to fit a wide range of hands as well as to reduce hand fatigue
- Available in 35 Regular (approximately 5.4 mm x 3.6 mm after closure) and 35 Wide (approximately 7.0 mm x 4.0 mm after closure)

MWI#	DESCRIPTION	SIZE
