## STAIN & ODOR REMOVER

### VetOne

Enzymatic Action Easily and Effectively Removes:

- Pet Stains and Odors
- Urine and Feces
- Blood

### 100% Guaranteed

VetOne™ Stain & Odor Remover is a proprietary blend of biodegradable enzymes, potent deodorizing agents and unique drying surfactants that completely and safely eliminates the toughest spots and stains. It contains stain repelling agents that help protect carpets and fabrics so clean-up is easier next time. VetOne™ Stain & Odor Remover is also specially formulated not to simply cover offensive odors from urine and feces, but completely devour them. Perfect for carpets, pet bedding, kennels, crates, furniture or any areas with strong odors and recent stains.

- Non-Caustic
- Non-Flammable
- Does Not Contain Bleach or Phosphorous

**Cleaning:** Remove loose debris and blot wet spills. Spray soiled area, covering stain completely. Wait 3 minutes. Blot or gently rub area with clean, absorbent cloth. Repeat until stain is removed. Blot excess moisture. No need to vacuum as product dries completely to powder.

**For Best Results:** Remove stains promptly after they occur and avoid over-wetting of carpet. Some stains will cause permanent discoloring even after cleansing. Do not mix with bleach or use in conjunction with any household product.

**WARNINGS:** Do not use if product appears to be tampered with. Keep out of reach of children and other animals.

Do not apply directly to animal.

For external use only.

### First Aid:

Eyes - Flush eyes thoroughly with water for 15 minutes.

Skin - Rinse skin with water.

If Swallowed - Drink plenty of water and call a physician.

**Disposal:** Use completely or pour unused portion down drain and flush with water. Dispose according to local, state and federal regulations.
