

Insulin Syringes

Help your customers manage their pets' diabetes with VetOne's complete home syringe dispense and dispose system. Quality U-40 veterinary insulin syringes (all with 29 gauge x 1/2" needles) are packaged in a patented, tamper-proof dispensing and disposal container that contains 10 bags of 10 syringes each. Syringes are dispensed from the bottom of the unit. Dispose of used syringes in the top of the dispenser with one easy movement for safety and peace of mind. The puncture- and leak-resistant container is an environmentally responsible sharps disposal solution. Boxed syringes are also available.
